Dear Valued Stakeholder

GAWLER PLACE UPGRADE UPDATE

When we last communicated in August, we indicated that alternate design proposals for the upgrade of Gawler Place were being worked through and were to be presented to Council for consideration at a meeting in September 2018.

We are pleased to announce that Council has met and committed to delivering the original design for the upgrade of Gawler Place between North Terrace and Grenfell Street and have approved a budget of \$16.96 million for the redevelopment.

Construction of the upgrade is proposed to commence in the first quarter of 2019 and is anticipated to take 52 weeks to complete.

We will be back in touch with you over the coming weeks to communicate about when construction works will commence and what you can expect to see happening in the street.

Thank you again for your support of the Gawler Place Upgrade project and for your patience while these alternate design proposals were investigated and considered.

You can stay up to date at yourfutureadelaide.com.au or get in touch with us at feedback@gawlerplaceupgrade.com.au.

Yours sincerely,

Beth Davidson-Park
Director-Operations
